

Innovation Pays Off . . . PIP Grant

What is the PIP Grant?

A \$250 grant from Arizona CEC to Promote Innovative Practices.

Four \$250 mini-grants are available to AZ-CEC members to promote innovative practices, which are designed to enhance the learning of exceptional students and demonstrate best educational practices. Funds may be used for supplies, instructional aids, equipment or services for an individual or group. Grants cannot be used to pay for anything that normally would be paid for by the district, agency and/or family.

Applications will be reviewed according to creativity, relationship to best educational practices, and appropriateness to the educational setting. A committee will review the applications and announce the grant recipients at the 2012 AZ CEC/CASE Conference.

Application form is attached or can be downloaded at: www.azcec.org

Apply for a \$250 PIP Grant **Promote Innovation Practices**

Four \$250 mini-grants are available to *AZ-CEC members* to promote innovative practices, which are designed to enhance the learning of exceptional students and demonstrate best educational practices. Funds may be used for supplies and materials, instructional aids, equipment or services for an individual or group, etc. Grants cannot be used to pay for anything that normally would be paid for by the district, agency and/or family.

Applications will be reviewed according to creativity, relationship to best educational practices, and appropriateness to the educational setting. A committee will review the applications and announce the grant recipients at the next AZ CEC state conference.
